

ASTMIS Logon Instructions

- 1) Browse to <http://www.altess.army.mil/citrix.cfm>
- 2) Click the '[Citrix CAC Login](#)' Link
- 3) Click 'OK' to agree to the terms of the DOD Warning Banner
- 4) Choose a Digital Certificate: Be sure to choose your e-mail certificate.
Important: If you choose the wrong certificate, please close all internet browsers and try again.
- 5) Once inside the ALTESS Citrix Web Interface, click the ASTMIS Icon to launch the application.
- 6) If you are a member of the NAE domain, enter your CAC pin credentials, otherwise you must cancel the pin prompt and logon on locally.

- 7) **Important:** If you become stuck at the above screen, press '**CTRL-F1**' to return to the Username and Password login prompt. Logon on with your username and password.
- 8) When finished, please log off the Citrix Web Interface.

Please send any problems or questions to the [Customer Support Center](#) with "ASTMIS" included in the subject line.
